## PROJECTS

### Portfolio Website

Key Skills: HTML CSS Javascript

Crafted a responsive Portfolio Website using HTML, CSS, and JavaScript. Designed an intuitive user interface to showcase projects, skills, and experiences. Implemented interactive elements and animations using JavaScript for enhanced user engagement. This project demonstrates proficiency in front-end web development and showcases creativity in design and user experience.

### Weather application

Key Skills: HTML CSS Javascript

We're building a weather app to give users real-time weather updates for any location. It will show current weather, forecasts, and other useful information.

The app will be easy to use, look good on any device, and work on desktops, tablets, and phones.

### Classroom scheduler

Key Skills: HTML CSS

We're creating a classroom scheduler app to help manage and book classrooms easily. This app will allow users to see available rooms, book them, and manage schedules, making the process straightforward and efficient.
